Planner

📍 Swift

Mobile app that store all written notes and after reopen the app all data would be saved

- **Tech Stack:** UIKit, MVC, **Database:** Firebase, Realtime database

HIGHLIGHTS

Languages

C/C++

Swift

Java

Python

JavaScript

Frameworks

UIKit

AVFoundation

WebKit

Alamofire

Firebase

MapKit

CoreData

ACHIEVEMENTS

Coursera – iOS Development

how to build common architectures for Swift and iOS development

Coursera – C++ Yellow Belt

Computer Programming, C17, Algorithms, Object-Oriented Programming OOP

International Asian-Pacific Math Olympiad

Bronze (top 20%) out of 330+

National Olympiad in Mathematics, Kazakhstan

Bronze (top 8%) out of 500+ overall

LANGUAGES

Kazakh – native

Russian – proficient

English – advanced
